Ultimate Move-Out Cleaning Checklist

Ensure a Spotless Home and Secure Your Full Deposit

Your Comprehensive Guide to Leaving Your Home Sparkling Clean and Deposit-Ready!

Moving out can be stressful, but ensuring your home is left in pristine condition doesn't have to be.

This guide will help you tackle every cleaning task efficiently, so you can leave your old home spotless and increase your chances of getting your full security deposit back.

2. Before diving into each room, follow these general guidelines to keep your cleaning organized and thorough:

- **Start from the Top:** Always clean from top to bottom—begin with ceilings and high surfaces, and work your way down to floors.
- **Declutter First:** Remove all personal belongings before you start cleaning. Empty out cabinets, closets, and storage spaces.
- **Check for Damage:** Note any areas with damage that may need repairs and address them before cleaning.
- **Use the Right Products:** Ensure you're using appropriate cleaning products for each surface to avoid damage.

3. Room-by-Room Cleaning Checklist

Living Room and Common Areas

- Remove all dust and cobwebs from ceilings and corners.
- Dust ceiling fans, light fixtures, and vents.
- Wipe down all baseboards, window sills, and ledges.
- Clean windows and mirrors until streak-free.
- Vacuum and shampoo carpets, or mop hard floors.
- Wipe down light switches and doorknobs.
- Remove any nails or adhesive from walls and patch holes.

Bedrooms

- Remove all dust from ceiling fans and light fixtures.
- Wipe down baseboards, window sills, and closet shelves.
- Clean inside closets and make sure no items are left behind.
- Vacuum carpets and steam-clean if necessary, or mop hard floors.
- Clean windows, blinds, and any glass surfaces.
- Wipe down door frames, knobs, and light switches.

Bathrooms

- Scrub and disinfect sinks, countertops, and faucets.
- Deep-clean the bathtub, shower, and grout lines.
- Clean the toilet, including the base and behind the bowl.
- Remove hard water stains from shower doors and fixtures.
- Wipe down mirrors until they are streak-free.
- Sweep and mop floors, ensuring all corners are clean.

Kitchen

- Empty all cabinets and wipe inside and outside.
- Clean the refrigerator, including shelves, drawers, and handles.
- Deep-clean the oven, stove, and range hood.
- Wipe down countertops and backsplashes.
- Clean and sanitize the sink and faucet.
- Sweep and mop floors, paying extra attention to corners and edges.

Hallways and Entryways

- Remove dust and cobwebs from high surfaces.
- Clean baseboards, door frames, and light switches.
- Vacuum carpets or mop hard floors.
- Wipe down handrails, banisters, and any shelving.

4. Additional Areas to Focus On

Appliances

- Clean the inside of the refrigerator and freezer.
- Remove any food debris and wipe down the inside of the oven and microwave.
- Run a cycle of the dishwasher with a cleaning agent.

Walls and Windows

- Remove any scuff marks or stains from walls.
- Clean all windows, window tracks, and blinds.

Flooring and Carpets

- Vacuum all carpets and consider professional carpet cleaning for high-traffic areas.
- Sweep and mop all hard surface floors, paying attention to grout lines and edges.

5. Bonus Tips: Avoiding Common Move-Out Mistakes

- **Don't Forget the Small Details:** Clean light fixtures, inside cabinets, and behind appliances.
- **Use the Right Cleaning Supplies:** Check for appropriate cleaning agents for different surfaces to avoid damage.
- **Double-Check Pet Areas:** Ensure any signs of pets are cleaned, including hair and odor removal.
